*"Thank you to the amazing arcobar community for supporting us to become one of Melbourne's most loved & awarded venues. One of my all time favourite quotes is "There are no strangers here - Just friends you haven't gotten to know yet". This sums up the ethos of everything we have tried to create here at arcobar... A common bond of honest food, proper coffee, a welcoming team, a place to have good old fashioned rant & laugh, a place to share a drink with friends (both new & old), a great variety of live entertainment that brings escape & joy, and most importantly, a place we all feel at home.*

*On behalf of all the team... Thank you"*

*Brooke Pollock (founder) arcobar*
